

Operational Guideline

FIRE DISPATCH – NI 9-1-1 CORPORATION	O.G. NO. 7.2.2
TITLE: TIMERS	PAGE 1 of 1

PURPOSE: To provide the opportunity for Incident Commanders to use remote countdown timers during emergency incidents.

SCOPE: North Island 911 Fire Departments

POLICY: The use of timers will not be recorded in fire reports.

PROCEDURE:

At any time during fire department operations, an incident commander can request the initiation of a countdown timer from the fire dispatch center.

The dispatch center can set and start a countdown timer for any amount of minutes. The default time is set to 10 minutes.

Upon receipt of a request, the dispatcher will announce to command that the appropriate timer has been started.

Once the designated amount of time has expired, the dispatcher will announce to command that the requested countdown timer has expired.
